About Us

Grandpa, Halil Inan is the first enamel master in Türkiye. He started his profession in 1933, located in İstanbul. He is the founder of Inan Enamel Manufacturing Company. The son, Şaban Inan continued the business after his father as a family company. He is a well known businessman in enamel market. Granddaughter, Selva Yazıcı is the founder of Modayhome with the brand name Dedemin Emayeleri (Grandpa's Enamels). She brought a new vision to the enamelware market by colorful hand painted production. The company is still working with the principle of positive discrimination of women in 1200 m2 area in İstanbul.
